Actions to Stop Doing:

The team should stop being late/not showing up to meetings.

Actions to Start Doing:

The team should start speaking out more about their ideas and possible changes to the original plan. The team should put more tasks onto the board as the small amount of tasks initially dissuade others from doing tasks.

Actions to Keep Doing:

Share code and ideas that can be generalized to other issues or possible solutions. Making good progress on implementing the user stories.

Work completed:

- Basic scheduling of tasks (ie. can make a repeating message that shows up every 5 minutes)
- Basic calculator
- Basic coin flip
- Weather based off user location
- Basic alarm
